

MENTONE HOCKEY CLUB JUNIORS

Welcome!

Mentone Hockey Club (Mentone Panthers) welcomes new players of all age groups and levels of experience. We field teams for all age groups in Hockey Victoria winter, summer and indoor competitions.

We are a family friendly club that has, as our vision, to 'engage, inspire, guide and develop every player to greatness'.

We aim to provide an environment which promotes fun, enjoyment, teamwork and a positive attitude. One of our goals is to provide the highest level of coaching to enable members to continue to improve and reach their optimal level. The program combines individual development and team-oriented strategies and is designed to challenge athletes in a competitive but supportive environment. Training is based on a small game approach, which focuses on individual and team skills.

The training program is divided into two main areas:

- Preparation of the Panthers Teams to compete in the Hockey Victoria Competition.
- Development of individual athletes' skills throughout the year.

There is a strong commitment from the leadership group of both our senior Men's and Women's sections to support and mentor junior players making their transition into the Senior Section. Players will attend training sessions and matches as well as give advice and inspiration to players in the junior grades.

LOCATION

Keysborough Playing Fields at
Mentone Grammar
732-742 Springvale Rd
Braeside VIC 3195
